

## Stewardship and Giving in the midst of COVID-19

Nebraska Synod, we're walking together in this. Given the uncertainty of not having in-person worship, there may be concerns about finances, giving, offering, and stewardship in your faith community. We're here as your partners in ministry to face this challenge together. First of all, there are a number of digital giving options that may be of use. You can see more on these on the Online & Giving Options pdf (available in the resource links on [this page](#)).

There are many other resources that I would like to entrust to you at the Nebraska Synod stewardship page as well.

Additionally, there is a Webinar scheduled for Tuesday March 17th that you can register for about e-giving tools. For more on this,

If you miss the live webinar, a recording will be made available, and shared at this site as soon as possible.

If you would like to think about any of these or related questions about what the offering might look like in these unfamiliar days of being the church, please do not hesitate to reach out to Nebraska Synod Director for Stewardship, Deacon Timothy Siburg at [timothy@nebraskasynod.org](mailto:timothy@nebraskasynod.org).
