

Failing Forward

Failure is certain.

Learning is optional.

First Lutheran, Fremont NE*

There's no shame in failure. The problem comes when you let your failures limit you, diminish your vision, define you or stop you in your tracks. This is the lesson one Deacon learned well.

Join us for Lunch with Lisa on Thursday, January 20th and learn how one Deacon failed forward, using where she missed the mark to help propel her ministry into a deeper Cross+Generational commitment and connection. With 20+ years of Faith Formation under her belt and the scars to show for it, she is now able to see the many blessings she experienced along the way.
