ASSEMBLY OF PRAYER BEADS

Prayer Beads have been used for centuries by many different cultures and religious backgrounds. They are a useful tactile element to add to your prayer life to help you remain centered.

To assemble your project, string the different colored beads on the cord provided in this kit. Choose the colors that speak to you and feel free to leave out any that don't. Use the black beads throughout to remind yourself to *just breathe*.

*"Rejoice always, pray continually, give thanks in all circumstances;
for this is God's will for you in Christ Jesus."
-1 Thessalonians 5:16-18*
