What does it mean to Go and... **Be Honest?**

How does honesty impact our understanding of history, scripture, relationships, values and our work as advocates? Deacon Ross Murray will be our guide as we explore what it means to live into our individual call to serve as advocates. Workshops will help you hone your skills as an advocate for others and for issues that are important to you. And with Bishop Scott Johnson we will learn how we the church Go and... be honest mindful of and honoring the diversity of church and the communities where we dwell. Esther and Nicodemus will be our Biblical role models for the weekend.

Go and...
Be Honest Guide

"Deacon Ross Murray is an everyday advocate. He believes the church is at its best when it is living out Paul's admonition to speak the truth in love, with kindness but also with resolve. Ross excels at listening closely to diverse viewpoints and responding with dignity and grace. I'm excited to welcome Ross to LYON this November; everyone who attends will come away richer for the experience."
