

Cultivating LOVE

Prayer Practice Seed Planting

As Assembly 2024 ends, please take your seed paper home with you to plant and grow as you reflect on the theme of Cultivating Love this year. Instructions for planting and a prayer are offered below.

INSTRUCTIONS FOR PLANTING YOUR SEED PAPER:

- Plant your seed paper in your garden or start in a pot.
- The dirt should be firmed down and not more than ¼ inch deep.
- Daily watering for 4-6 weeks.
- Plant where 4 hours of sunlight will touch the plant each day.

PRAYER OVER YOUR SEED PLANTING:

Let Us Pray

Loving God, as we plant these seeds (seed paper), we thank you for this soil that will nurture these seeds, for the sunlight that will help these seeds to grow, and for the rain that will nourish the fertile ground.

We plant these seeds to grow as we reflect on Cultivating Love during this planting season and in our own lives.

We ask that you be with us as we continue to grow in faith, hope, and love. Amen.

SHARE YOUR PHOTOS

Please share a photo of your seedlings as they grow with the Synod Office at office@nebraskasynod.org
