

Leon & Lorna A. Krab Kraft Memorial Grant Application

Fall 2024

Dear Church Leader,

Your church may be eligible to receive a grant from the Leon & Lorna A. Krab Kraft Memorial Fund established several years ago with the ELCA Foundation!

The purpose of the Kraft Memorial Grant is to promote and provide resources that allow churches to make the necessary improvements to ensure accessibility in every respect. Existing church building improvements may include, but are not limited to; ramps, elevators, restrooms modifications, sanctuary modifications, etc. The memorial fund hopes to ensure accessibility and integration into the whole life of the congregation.

Grants will be made on an equal matching, dollar for dollar framework. The grants are available to congregations of the Nebraska Synod, with attention being given to those congregations west of Grand Island, Nebraska. Congregations are expected to provide financial reports and receipts throughout the project to ensure this criterion is met. All grant applications are reviewed by a pre-appointed committee of the Nebraska Synod. If the grant is approved, the committee will work with the church to determine a timeline for releasing the grant funds to the church.

The Nebraska Synod is thankful for the Kraft Memorial Grant Fund and we are excited to offer this opportunity to your church. The need for improved accessibility exists in many churches throughout the synod and our hope is that these funds will be used to assist in making your church more accessible for your entire community.

The Kraft Memorial Grand Fund application is below. The deadline for application is September 23, 2024 and the Memorial Committee will review the applications at the end of October. If you have previously applied and received grant funding, please refrain from applying again. Please mail your completed application to the Nebraska Synod, Attention: Stephanie Lusinski, 6757 Newport Avenue, #200, Omaha NE, 68152,
