

LUTHERAN YOUTH OF NEBRASKA
LEADERSHIP LAB

**Lutheran Youth of Nebraska (LYON) fall event
SHINE! Leadership Lab
7 PM November 22 - 11 AM November 24
Covenant Cedars Camp, Hordville NE**

SENIOR HIGH (9TH-12 GRADE) YOUTH:

Are you a leader? Do you WANT to be a leader? How can you be a faithful leader? What does faithful leadership look like?

Join other Nebraska synod youth for a weekend “leadership lab” where we will explore these questions and more! Throughout the weekend, we will hear “shining stories” from youth and adults in Nebraska who have felt the call to faithfully use their leadership skills in daily life. Together, we will explore how lesser-known Bible characters used their leadership skills in surprising ways. Through interactive team building activities (our leadership lab), we’ll explore our own leadership styles. We’ll have time to practice using (and sharing) our gifts and leadership skills and of course we will worship, fellowship and have fun together!

Registration is by church group, so see your youth leader or pastor for more details or to register!
